

Eagle Membership Rewards Family Group Authorization

Eagle Membership Rewards is a 4-level program that offers JAX FEDERAL Credit Union members money saving discounts on fees and loan rates plus certificate rate bonuses. The amount of discounts and bonuses you receive depends on your combined deposit, loan and credit card balances at JAX FEDERAL Credit Union. We automatically combine all of the deposit and loan balances on each membership account number. If you have more than one membership account with us, you will need to complete this form to group the accounts.

We also offer you the option of forming a Family Group with your relatives. By doing so, all account owners in the group enjoy the same benefits. Each account owner must agree to be in the group by signing this form. Any member of the group may ask to be removed from the group at any time. Forming a group does not affect your account access or ownership in any way. It is only used to determine your level of benefits in Eagle Membership Rewards.

Please be assured that your privacy is very important to us. As always, we will not disclose your personal information to anyone who is not an owner of your account, not even your relatives. However, in some circumstances, your group members may be able to deduce your approximate combined deposit and loan balances with JAX FEDERAL Credit Union.

Yes! We want to form an **Eagle Membership Rewards Family Group.**
