

Personal Goal Savings Certificate

What would you do if you had \$3, \$5, or even \$10,000 right now.?

1. A down payment on a new home?
2. Set aside an emergency fund?
3. Or maybe take that dream vacation you've wanted to take your whole life.

Well, let me tell you about this exciting new product that was exclusively designed for JAX Federal Credit Union Members!

It's called a Personal Goal Savings Certificate.

This is how it works. First you need to determine how much you want to save (3K, 5K, or 10K) over 3 or 5 years. We then open an account with no minimum balance and set up an automatic transfer to that account on your pay-day.

Now here is the great thing, as your balance grows so does your interest rate! The more you save, the more you earn.

When you have achieved your goal we transfer the funds into your savings account.

So you can put that down payment on that new home, have the piece of mind knowing you have emergency funds set aside, or take that dream vacation you've always want to take.

Come see us so we can set you up with a Personal Goal Saving Certificate right away and get saving!
